Southern Management Supports Christmas in April

Vienna, VA: More than 50 Southern Management employees gave up Saturday, April 29 to contribute to their community through the annual Christmas in April home rehabilitation program. The largest program of its type in the United States, Christmas in April helps to build partnerships to rehabilitate homes and community facilities for low-income, elderly and disabled homeowners so they may live in warmth, safety and independence.

“We are firmly committed to the mission of Christmas in April that brings neighbors together to help neighbors,” stated Southern Management Corporation President Ron Frank. “Southern compliments its Christmas in April support with a myriad of community outreach programs that provides opportunities for Southern team members to provide meaningful contributions to the communities and neighborhoods surrounding the properties they management.” Several of Southern Management’s unique initiatives
